

Important! Please fill in the questionnaire as completely and accurately as possible.

1. General Information (About your Operation)

Date (mm/dd/yyyy) *Required*

Operation Legal Name

Location *Required* ZIP / Postal Code

2. About your Operation and Scope

Select the option that best describes your operation *Required*

- A. Farm operation only
- B. Farm operation + post-harvest (e.g. sorting, washing, packaging, etc)
- C. Farm operation + processing facility (e.g. wine, product transformation)

3. About your farm crops

List your main crop. If there is more than one, list those that represent 75% of the farm's agriculture activities *Required*

Crop	Product form sold	Harvest Start Month	Harvest End Month
<i>e.g., Wine Grapes, cucumber, lentils, etc.</i>	<i>bottled wine, fresh, yogurt, etc.</i>	<i>June</i>	<i>August</i>

4. Tell us about your team

Provide total number of farmworkers according to the farm operation and scope (e.g., C. Farm operation + processing facility). Make sure to include workers hired by the operation and through others if applicable (e.g., labor contractors)

Maximum number of **PERMANENT** workers on the operation at any point in the past 12 months *Required*
 Permanent (year-round basis).

Maximum number of **TEMPORARY** workers on the operation at any point in the past 12 months *Required*
 Temporary (for specific activities and specific periods of time)

If **TEMPORARY** workers were hired, please describe below

# total workers	# total days	Activities performed
		<i>e.g. soil preparation, planting, pruning, sorting, harvesting, repair fences, irrigation activities, other</i>
<i>e.g., 10</i>	<i>1</i>	<i>Fencing</i>
<i>e.g., 20</i>	<i>60</i>	<i>Harvesting, irrigation</i>

Are labor contractors and/or labor recruiters used? If yes, please specify the number of workers, number of days on the farm, and services provided

# total of workers provided	# total days at the farm	Principal activity performed e.g. soil preparation, planting, pruning, sorting, harvesting, repairing fences, irrigation activities, other
-----------------------------	--------------------------	---

Labor contractors
(if applicable)

Labor recruiters
(if applicable)

The completed survey can be emailed to paul@regenorganic.org or mailed to Paul Alvarez, 2015 San Jose Avenue, Alameda, CA 94501

Thank you for your time today to fill out the survey and help us improve our support for farmers like you!
