	<p>This involves modification of an existing approved license to change what is covered by the license itself. This includes but is not limited to product or SKU name changes, label text or packaging updates, and corrections or updates submitted by the licensee.</p> <p>The \$150 license revision fee may include the addition of up to three (3) new products; requests exceeding this scope will require a separate license application.</p> <p><i>*Note*</i>: When revisions are initiated by ROA for compliance alignment, fees do not apply.</p>
Supply Chain Actors	Includes Gin, Merchants, Brokers, Mills and Manufacturers
Annual Registration Fee	\$500 Annual Registration Fee with submission of Chain of Custody Documents; Option to increase to \$1,000 Annual Fee to include ROA Membership Benefits. Fees are assessed and collected at the time of submission.

Based upon a review of program and product summary (attached) the Organization is reporting collective usage of _____ Metric Tons, or _____ Kilograms of ROC™ Cotton.

Note: These weights are based upon a review of their products. Further, this is a new system for ROA and based upon current pilots we will be implementing a traceability system in the future in which the Organization, upon prior written acceptance, will participate.
